Dear Superintendent's Roundtable Member:

Thank you for your generous donation to the El Segundo Educational Foundation this past year.

As a special incentive to increase the number of Superintendent's Roundtable Platinum Level (\$2,000 or more) members, Mr. Richard Lundquist from Continental Development Corporation is graciously offering a \$250 Fleming's Prime Steakhouse gift certificate to Superintendent's Roundtable members who upgrade to the Platinum Level. In addition, when you upgrade your membership, you will be listed in the ESEF Superintendent's Roundtable donor list as a Platinum Level Charter member.

This is a one-time offer that expires **June 30, 2007**, so please make your gift today and become a Superintendent's Roundtable Platinum Level member.

If you are currently a Platinum Level Roundtable member, you will receive a \$250 Fleming's Prime Steakhouse gift certificate if you renew your current Platinum Level membership for the 2007-2008 school year when it comes due.

Thank you for your support of the ESEF!

Regards,

Chris Sherrill
